

***** This is just a demo survey form. The addresses were inferred for real - so you could actually go and check on them - but the QR codes do not point to the Open Addresses systems yet, as they are not ready. *****

This 'addresses survey' form for Open Addresses UK (<http://openaddressesuk.org>) was made using *oa-runner*, by Digital Contraptions Imaginarium Ltd. Read more at <http://dico.im/oa-runner> .

63, PENNINGTON
STREET
LONDON
E1W 2BB

It's there, I can
see it!

It's there but
something's wrong...

I can't find it.
